**BRIDGE JOINT REPAIRS ON I-293 IN MANCHESTER**  
***WESTBOUND BRIDGE OVER BROWN AVENUE***

The New Hampshire Department of Transportation announces bridge joint repair work will take place Friday, March 7, 2003 on Interstate 293 in Manchester.

This repair work on the I-293 westbound bridge over Brown Avenue will take place from 9:30 AM to 1:00 PM.

In order to complete the work, westbound traffic on I-293 over Brown Avenue will be reduced to one lane. Warning signs, cones, and uniformed officers will be used to guide motorists through the work zone.

Motorists are asked to use caution when driving through the area, as workers and equipment will be on the bridge.
